Sir;

In regard to your Oil and Gas lease, NE/NE of Section 30, Range 23 E, Township 5 S, Uintah County of the state of Utah.

We would like for you to go to all the landowners and speak to them regarding the adjoining acreage to yours of which we have already shown you what we would like to have. Also would you let any of the landowners that are interested in leasing to the Colorado Petroleum Co. sign the adjoining paper and show how much acreage that they have.

Because of the small land tracts, we would like to lease this acreage from the start by the Ammendments that the Oil and Gas Conservation Comission of the State of Utah. have set up. Doing this, all of the landowners will benifit from the start.

Yours Very Truly  
COLORADO PETROLEUM COMPANY
